

What to bring and how to get to Camp Brotherhood

FOR YOUR WORKSPACE BRING;

- 1- A canopy for shade or rain.
- 2- Tools, if you have them.
- 3- Respirator, goggles, ear plugs or ear muffs, safety glasses, sun screen, bug repellent.
- 4- Ground tarp to protect grass and ease pick-up of stone chips.
- 5- Stool, chair, work table.
- 6- Electric cord, 12-3, minimum 50 feet.
- 7- Air line 50 feet, 3/8 inch with 1/4 " type nipple, a water trap if you use an air hammer.
- 8- If you use water to carve, bring a 50 foot hose with a Y connector and a shut off.

NOTE: We cannot accommodate tools from Europe that are not adapted to US current

PERSONAL STUFF

Bedding is provided in Lodges. Bring towels, wash cloths, soap, etc.

There is a pool available to our group first thing every morning and from 3-5pm in the afternoon. Bring a swim suit and towel.

A camera is a great idea – we may ask you for pictures for next years' brochure. Appropriate footwear and clothing for rain or sunshine is wise as the NW weather is very variable. You are at Camp, so bring a flashlight and a teddy bear if need be.

MORE FUN STUFF

Bring drums for around the evening campfire. Guitars are wonderful as well. Anything musical and fun.

Bring GOOD dance music for the party

SCULPTURE RELATED

Bring up to 3 pieces of sculpture to show at the Art Walk on Saturday as well as pedestals if you have them. There are a few limited ones for use, there will be a 20% donation asked of you if you sell a sculpture as well as the WA state tax.

If you have a sculpture you would like to donate to the auction, you will receive 30% of the sale.

DIET

If you have special dietary considerations you need to be responsible for them yourself. Russell can do his best however he is cooking for large numbers so cannot fill all special needs.

ESSENTIAL – Have FUN
